

Bark Busters Investment

Investment

What are the financial requirements to become a Bark Buster?

\$37,500. Franchise Fee

+\$19,500. Training and Territory Fee

\$57,000. Purchase Price of Business

+\$12,100. Minimum Initial Operating Capital

\$69,100 Minimum Investment

Bark Busters requires that all new franchise owners have a minimum net worth of \$100,000 to \$150,000 based on liquidity. Sufficient equipment to operate a home office and a vehicle are required. You may use your existing vehicle with our approval. Purchase Price may increase based on adding territory. A detailed breakdown of these figures and all other financial aspects of the business are located in the Franchise Disclosure.

Does Bark Busters offer financing?

While Bark Busters does not provide direct financing, we do work with several financial partners to provide you with many options.
